# STEP #2 Sort

## Keep | Toss | Sell

It's okay to **KEEP** the items that you just aren't ready to part with yet. **TOSS** the items that are too well-loved (stains, missing pieces, or are not working).

## SELL the items that meet these 4 C's:

### CLEAN

The newer it looks, the better it sells. Check carefully for stains and holes in clothing. Clean all clothing and non-clothing items thoroughly.

### CURRENT

Sell warm weather clothing and shoes at our Spring/Summer sale. Sell cold weather items at our Fall/Winter sale. Shoppers love current styles that are in fashion.

### COMPLETE

Be sure all parts & pieces are present before you tag items. Shoppers want to open their items when they get home and find everything in working order.

### COMPLIANT

Important Safety Guidelines apply to car seats, cribs, infant equipment & toys. All of the Recalls & Safety Standards are listed at **jbfsale.com** for you to check each of your items before you sell.

**Safety Waivers Required** for all Cribs & Car Seats

# STEP #3 Price

## Shopper-Focused Pricing

Ask yourself, "What price would make me buy this item without hesitation...and brag about my bargain to my friends?"

## Bundle Items to Save Time

As you are thinking about prices, consider creating sets or bundles. Put an outfit together, or a set of same-size onesies. Bundle 6 pair of socks together, or several superhero figures. Shoppers love it, and you only have to create one JBF tag!

# STEP #4 *Prep*

## Preparing Your Items & Attaching Tags

Now that your JBF tags are printed, cut them apart and sort them by gender, type and size to make this step go smoother.

## Gather these supplies to make your prep faster:

- hangers
- clear self-sealing bags (zip-loc)
- ribbon/string
- zip-ties
- clear tape & painter's tape
- clear (saran) wrap
- scissors
- safety pins or tagging gun
- hole-punch

## TOYS & GEAR

### Two Essentials:

- Tag is attached securely (won't fall off) &
- All pieces secured together (won't separate; tape bags closed)

# STEP #4 *Prep*

## CLOTHING

### Hanging & Tagging Clothing

Put most clothing on a hanger. Bundle socks, infant mittens & hats, as well as accessories in clear self-sealing bags. Attach JBF tag with safety pin or tagging gun.

### All About Hangers

#### Direction

Be sure the hanger hook opens to the left, like a question mark. Attach JBF tag to front and right of item.

#### Types of Hangers

We accept only plastic hangers - no wire hangers, please. We've found wire to rip clothing and tear bags. Also, be sure to use the appropriate sized hanger for the clothing you're hanging.

### Creating Outfits

It's okay to bundle items into sets.

Secure pieces to hanger using safety pins and then zip-tie hangers tightly together so outfit remains together as a set.

### Tagging Gun

If you use a tagging gun to attach JBF tags, only puncture the garment tag or an inside seam so that you do not damage the fabric.

# STEP #4 *Prep*

## Accessories

Use clear bags to bundle sets of socks, hair accessories, infant mittens and hats. Display neatly so shopper can see well. Tape JBF tag on the outside and tape bag closed.

## Safety Pins

ALL clothing should be secured to the hanger with safety pins. As shoppers are going through the racks we often see shirts that slip off their hangers. Then they end up on the ground or hanging by one sleeve. If this happens to your items they will be overlooked by shoppers, which is not what we want to have happen.

## Hanging Multiple Items on a Hanger

Multiple items—that are all the same size— can be hung on a single hanger. Use a safety pin or tagging gun fastener (through a sturdy waistline) to attach to hangers.

## Hanging Pants

Pants should be hung to the top of the hanger as pictured to the left. Use a safety pin or tagging gun fastener (through a sturdy waistline) to attach pants/skirts to hangers.
