

DANE COUNTY WEST

# NEW SAFETY PROTOCOLS

Your safety is our top priority! For our upcoming sale we will follow current COVID-19 local health and government guidelines. We are adjusting procedures to hold our sale in a way that is safe, spacious and sanitized. Please see below. Thank you for working with us so we can keep our community well cared for and safe.

What to expect

## THINGS WILL LOOK A BIT DIFFERENT.

So much about our sale—the amazing people, the fabulous deals, the huge selection—will be the same. But due to our current times, things WILL look a bit different. You know how at the grocery store, you have to follow certain new standards? We'll be doing the same. We will be following guidelines put forward by Center for Disease Control (CDC) and our local government and health officials. Here's what to expect.

### BEFORE THE SALE

**Tickets:** We will not be handing out free pass bookmarks for this event. Instead, everyone should register for a (free) ticket on Eventbrite by clicking [HERE](#).

**Are you well?** We will be asking anyone who does not feel well or shows any of the symptoms published by CDC to please not attend.

**Grown-up Shoppers only, please:** For their safety, we are asking parents to please not bring children to the sale, if possible.

**Shopping Bags:** We ask that you plan to bring your own shopping bags to the sale, if possible. We will have our large IKEA bags available and sanitizing them between uses.

### AT THE SALE

**Entrance:** We want to limit contact as much as possible. Please plan to show us your Eventbrite ticket on your phone. You do not need to print it out. Hand sanitizer will be made available to you as you check in.

**Distancing:** We will ask that shoppers who are not from the same family unit stay 6 feet from one another (physical distancing). We will have signage throughout the event as a reminder.

**Masks:** We will ask that all our participants wear a mask. If you do not have one, we will have some available at our sale. All team members will be wearing masks to help keep you safe as well.

**Check Out Line:** We will ask that shoppers who are not from the same family unit stay 6 feet from one another (physical distancing). We have also set up a virtual check-out reservation system. You will be notified when it's your turn to check out and proceed to the register with any other items you have decided to purchase.

**At the Register:** Your checkout will happen with a shield between you and the cashier for added protection. We encourage you to use your own shopping bags and a credit card for payment to help limit contact.

### WHAT WE WILL BE DOING

Behind the scenes to insure your safety, we will be taking the follow safety measures and practices.

- We will perform regular cleaning of high-touch surfaces.
- We will ask all Team Members to wear masks.
- Team Member temperatures will be taken as they arrive at the sale.
- We will be performing regular hand washing.

**Even though things will look different, we will still have the same amazing selection and deals along with a team that will be very happy to see you!**
